Minutes of the 110th Energy Calibration Meeting held on 15 November 1996

1 LEPC presentation

The meeting was devoted to preparing the LEPC presentation on 19 November. Mike Hildreth gave the current version of his talk. The final version is available on the energy working group pages on the WWW. These are found from

`http://www.cern.ch/LEPECAL/`

A first look at the NMR vs. flux loop calibration was shown, as well as the latest progress with analysing the polarisation measurements. This will be discussed in more detail at the next meeting.

2 Next Meeting

The next meeting will be at 15:00 on Friday 22 November in the pavillon.
