We won all 5 league games and lost the Semi-Final against NOMADS.

We lost all 6 T20 games.

We won 5 friendly and lost 4 friendly games.

Richard Parker was declared BEST PLAYER OF THE SEASON. He played only 5 games scoring 258 runs with an average 64.5 (82 N.O highest), 15 wickets with best economy rate of 4.2.

Benjamin Percival scored the only 100 NO of the season in the SEMI FINAL, the best innings of the season against a very good bowling attack.

Waqar Ahmed scored 499 runs with an average of 55.4 (95 N.O Highest).

Dawood Ahmed was the best bowler with 19 wickets at an average of 23.7 in 17 games. Best was 4 for 25.

Peter Crook took the most catches (10) for the season.

In the presence of young and big hitters, the two old players of the club, Chris Onions and Imtiaz Ahmed, reached the final of the SINGLE WICKET. Imtiaz won the competition for a record 5th time.

Unfortunately in his 8th match of the season, Matthew Martin broke his arm in a PICKWICK T20 match against SWISS COLTS when a fast rising delivery from Aswin hit his left arm. Hopefully he will have recovered and be available for next season.

40 players played during the season with three playing only one game.

Imtiaz Ahmed played the most games (17).
