

Groundsman Report 2015 AGM :

- Outfield rolled with heavy 20ton roller in Spring 2015.
- Water tap fitted in Spring 2015 !
- New stainless steel nets donated to the club were repaired by CERN after deer damage during last winter. Nets need installing at the start of next season.
- Hut external wood needs painting at the start of next season.
- Lawnmower taken for servicing Saturday 21st November 2015.
- Saturday 21st November : Bins emptied and fridges defrosted/cleaned (mushrooms growing in one fridge, milk etc. left in fridges and freezers !). Radiators turned on low.
 - This is not normally the groundsman's job !
- Big hut tidy needed in Spring, all personal kit bags to be removed ASAP.
- Fixtures : Bellingham is fixed for 2/3 July 2016. Direct GVA-Newcastle flights.
