

Groundsman Report : AGM 28 November 2016

- Lawnmower was serviced in winter 2015: Blades need adjusting next time to avoid “Mohican” style cutting.
- New nets were installed on lightweight stainless steel frame at the start of 2016 season.
- New nets need to be ordered and installed at the start of next season for the ‘off-pitch’ nets near the clubhouse. (Peter?)
- The huts wooden roof edgings and posts were painted at the start of 2016 season.
- Hut tidy needed in Spring, all remaining personal kit bags to be will be put into the container. Have fridges been defrosted/cleaned?
- Fixtures: Bellingham is fixed for 8/9 July 2016.
- Plans to build a new 10,000m2 storage building on the Preveessin Site are being developed. One idea is to build on the cricket pitch....
