Other News

- Chris bought new battery for lawnmower (might need a service in 2022)
- One of the frames for nets totally destroyed by deer. Pompier not happy, deer has to be released every time, leading to danger for operatives
- End of season hut tidy :
 - Broken nets dismantled and tubes removed by CERN transport
 - Most of external wood painted
 - Hut cleaned
- Old nets (currently on practice strip) need renovating
- John will buy new wheels
- Nets need to be reinstalled at start of season
- Barriers to be placed around nets after every session to prevent deer problem (or special deer-proof nets or lift nets after every session !)
