

**Unfortunately, the Vice Captain was unable to present a kit report.**

**We need the following:**

- **a new net to replace the one which was destroyed.**
- **more practice balls (24), there are hardly any usable ones left. These should be like the official Newberry balls but less expensive**
- **We need some red balls (12) for tour matches.**
- **Wicket keeper pads.**
- **Cones for fielding practice`**
